RESPONSE

Assistant Commissioner for Patents
Washington, DC 20231

TECHNOLOGY CENTER #3700

This is responsive to the outstanding Office Action mailed October 1, 2002.
Reconsideration and allowance of this application is respectfully solicited in view of the following amendments and remarks.

AMENDMENTS

Amended claims are presented in two versions in the accompanying documents. One version (titled "Replacement Claims") is a clean version of the claims as the Applicant desires them to read upon entry of this Amendment. The other version (titled "Version with Markings to Show Changes Made") is a marked up version indicating changes made by this Amendment..

Please amend the above-identified application for patent as follows:

Replace the first paragraph with the following:
